**Hong Kong, November 18, 2024** - In a vibrant cross-sector collaboration, Hong Kong Design Centre (HKDC) joins forces with commercial brands, retail hubs, academic entities, and non-profit institutes to unveil its flagship initiative, BODW in the city ('the programme') with the Cultural and Creative Industries Development Agency as the Lead Sponsor. As the countdown to December 2 begins, mark your calendars for the unveiling of this two-week festival, running until December 16. Over 60 themed events will illuminate Hong Kong's allure as the celebrated 'City of Design', showcasing the best of creativity and innovation.

This project proudly welcomes Sino Group as a Motion City Partner, alongside strategic partners including Paris Design Week, Hong Kong Design Institute, and Harbour City. This partnership blends international and local talent to immerse both residents and visitors in a series of events showcasing the city's design prowess. Across visual, auditory, and gustatory domains, activities include exhibitions, guided tours, workshops, and live artisanal demonstrations, offering the public a precious opportunity to experience the essence of design. The program features the participation of renowned international designers who share their latest masterpieces and engage with the audience, creating a vibrant tapestry of creative experiences and interactions.

### **About BODW in the city**

BODW in the city is an exciting citywide design initiative organized by Hong Kong Design Centre (HKDC), with the Cultural and Creative Industries Development Agency as the Lead Sponsor, aimed at engaging the tourists, general public and consumers while activating local brands and retailers. Running from December 2 to 16, 2024, this vibrant event showcases Hong Kong's commitment to design excellence and creativity in a way that contributes to the local economy, with the theme of highlighting the 'City of Design'.

This initiative transforms Hong Kong's design destinations into dynamic spaces filled with curated program, exhibitions, workshops, installations, shows, and craft demonstrations. By seamlessly blending cultural and commercial elements, BODW in the city invites everyone to experience how design enhances everyday life and business operations.

With over 60 events organized by various organization, businesses, and cultural venues, this multidisciplinary celebration encompasses a wide range of fields, including design, food, fashion, decor, lifestyle, architecture, movies, and art. It provides an unparalleled opportunity for the public to immerse themselves in the city's creative landscape.

To further enrich the experience, a digital guidebook highlighting 101 must-see design spots in Hong Kong will be available, encouraging everyone to explore and appreciate the city's unique design offerings.

[Installation] FILA x James Jean Installation	FILA will present an installation by multidisciplinary and award-winning visual artists James Jean.  The ultimate in exploration takes us into Orbit, into the far-flung reaches of space. Surrounded by various celestial flora and fauna, our Explorer presides over the glowing path below, as the flow of energy forms an infinite loop, a continuous flow of curiosity, adventure, and discovery. Due to fluctuations in gravity and atmosphere, the life forms in this region of the universe grow large, and alien beings merge with the environment to form lyrical flowers, dreaming mushrooms, and beautiful creatures. The explorers wander through this garden of unearthly delights, drawing wonder, inspiration, and awe from the unknown universe. <p>[Installation]  Energies of Repair</p>	<p>The installation <i>Energies of Repair</i> uses images to explore two movements that define our changing world. The threatening un- livability of the Earth is made visible with scientific data. This is contrasted by con- temporary initiatives that work towards re-covery on different levels. On the outside of the installation, visitors experience a world of collapsing biodiversity and climate crisis, resource depletion, environmental injustice, and pollution. The inside shows a world being reconstructed, with activism, relocations, citi- zen-led collaborations, and <i>low-tech</i> strategies.</p> <p>The installation is curated by Nicola Delon, an architect and the co-founder of Encore Heureux Architectes, an award-winning firm that among others was commissioned to curate the French Pavilion at the 16th International Venice Biennale of Architecture in 2018, for its “Infinite Places” exhibit. It is an inventory of spaces that embodies the unexpected and a sense of common aspiration.</p> <p><b>Curator:</b> Nicola Delon  <b>Organised by:</b> Hong Kong Design Centre  <b>Location:</b> Base Hall 2, Jardin House, Central</p>	<p>8-10/12/2024  11:00-20:00</p>	<p>Free</p>
